

# CHANGES TO WORCESTERSHIRE INTEGRATED SEXUAL HEALTH

Worcestershire  
Health and Care  
NHS Trust

We apologise that there will be no clinics in Worcester on Thursday 29th November and Friday 30th November as we will be moving from Moor Street to the John Anthony Centre. Alternative clinics are available on these days at our other clinics in Kidderminster and Redditch. Details of these are available via the web link [www.knowyourstuff.nhs.uk](http://www.knowyourstuff.nhs.uk)

From Monday 3rd December 2018 Sexual health clinics currently provided from the Moor Street Clinic, Worcester will be moved temporarily to the John Anthony Centre along Newtown Road, Worcester (WR5 1HN). We are making this change because the Moor Street building is inaccessible for people in a wheelchair or with a pushchair, and because patient feedback has indicated that current access to services and waiting times at the Moor Street site need to be improved.

Patients appointments will be available at the following times:

Monday 08.30-19.30

Tuesday 08.30-16.00

Wednesday 08.30-15.30 Under 21's Walk In clinic 16.00-18.30

Thursday 08.30-16.00

Friday 09.00-11.30

Appointments will be available to book 24 hours in advance.

Appointments for routine Contraception and Sexually Transmitted Infection concerns can be made by phoning 0300 123 1731 from 08.30 each day Monday to Friday.

Appointments for intrauterine contraceptive devices (coils) and contraceptive implant fittings can be made up to 2 weeks in advance by phoning 0300 123 1731 during the clinic opening hours.

There will continue to be an Under 21's Walk In clinic at Moor Street clinic on Saturdays 10.00-12.30

We understand that this change of venue will mean patients will need to travel to the new site. To help with this we are including with this letter, some information about bus services that run to the John Anthony Centre and also some details about Community Transport options. For those with vehicles, free parking is available on site at the John Anthony Centre.

Over the coming weeks, we will be engaging with patients at both clinics to seek their views about this move and what other reasonable adjustments and support we can offer. During 2019, the clinic will be moved to a permanent space that will be based on the Worcester Royal Hospital site so when we speak to patients we also want to understand how we can make this new space welcoming and patient friendly. More detail about the permanent move will follow in due course as it becomes available.

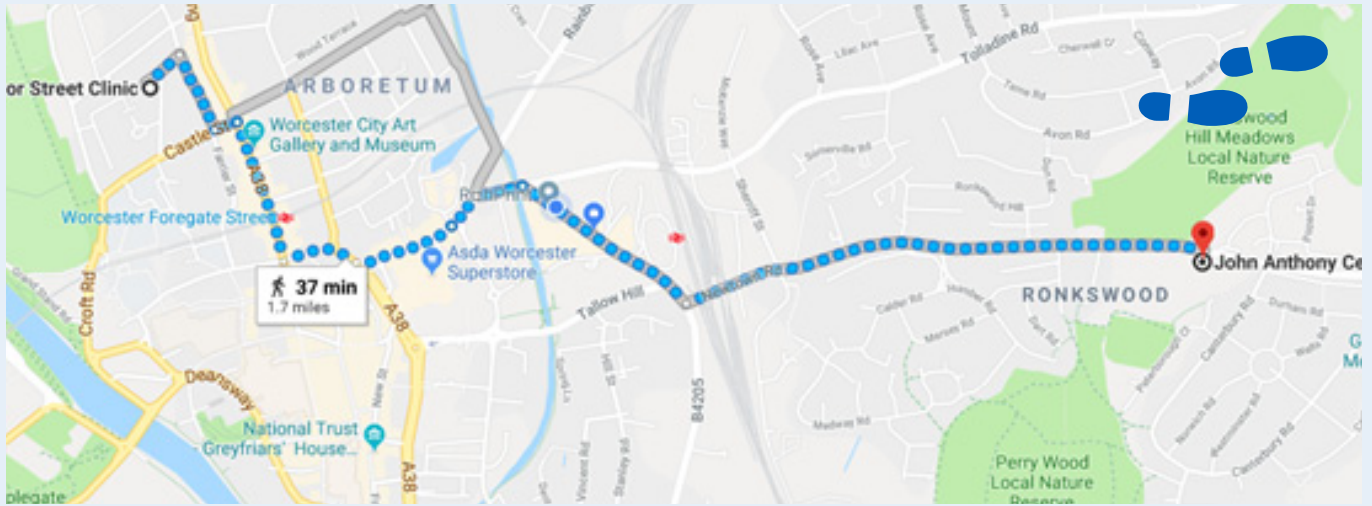

For more information please visit [www.knowyourstuff.nhs.uk](http://www.knowyourstuff.nhs.uk)

# This clinic has moved to the John Anthony Centre, Newtown Road, WR5 1JF

Worcestershire

Here's how to find us:

## Train:

The train arrives at Foregate Street or Shrub Hill. Both stations are convenient for 38 bus route and both have taxi ranks outside both stations.

## TAXI

### Worcester Taxis:

City Taxis: 01905 726726  
Blustar Taxis: 01905 610022  
Worcester Taxis Ltd: 01905 700777  
Commandery Cars: 01905 731999  
Cathedral Cars: 01905 767400

## Community Transport

Worcester Wheels volunteers use their own cars to provide door-to-door transport and provide lifts in cars and MPVs for things like visits to doctors, opticians, chiropodists, hospital appointments, to visit friends or even just do shopping.

Worcester Wheels caters for residents in Worcester City and surrounding rural areas: Alfrick, Bransford, Broadheath, Broadwas, Cotheridge, Doddenham, Grimley, Hallow, Holt, Kempsey, Kenswick, Knightwick, Leigh, Little Witley, Lulsley, Martley, Norton, Powick, Rushwick, Suckley, Spetchley, Whittington, Wichenford.

Eligibility requirements for the Community Car and minibus/MPV schemes:

- Older and disabled people and/or unable to use public transport
- No access to public transport
- Residents within Worcester City and surrounding rural areas (listed above).

Volunteers also have wheelchair accessible minibuses and MPVs.  
To book please ring: 01905 450654 Monday to Friday between 8am-5pm.
